SIR,

Re: Powers of sanction of estimates by the Deputy Commissioners and Sub-Division Officers.

With reference to your letter No.2403/Muz.284-40-7 dated 2nd April 1941 regarding the above, I have the honour to forward herewith for information, a note in the matter and to suggest that in the powers delegated to the Deputy Commissioners and Assistant Commissioners (Vide 3(4), 4(4) Page 74 of Muzrai Manual), the words "for original works relating to" or " may be added.

2) The powers as thus read will be as noted in the *margin.

Office of the Muzrai Commissioner
in Mysore.
Bangalore, Dated 10th May 1941.

N O T E.

According to strict interpretation of the powers delegated to the Deputy Commissioners, they are empowered to sanction estimates for the repairs of Muzrai Institutions not exceeding Rs.1,000/- from balances at their credit. The Deputy Commissioner, Mandya District, appears to mean that the present powers do not include estimates to be sanctioned, for roads, wells, electric lights and other original works allied to the Institutions. In practice, even these works up to the limit of Rs.1,000/- are being sanctioned by the Deputy Commissioners - works costing more being submitted to this Office.

If the present powers delegated to Deputy Commissioners and Sub-Division Officers are construed to mean the sanctioning of works by them, both in respect of repairs as well as other works in the nature of improvement to the Muzrai Institutions, then no separate delegation as asked for by the Deputy Commissioner would arise.
